

DR. King's Restoration Method

What It Does for Toothless People

THOMAS JEFFERSON KING,
D. D. S.

Originator of Dr. King's Restoration Method for the natural restoration of teeth—originator of the King Safe System of Painless Dentistry and Inventor of the "Natural Gum" Set of Teeth, Etc., Etc. All rights reserved.

By means of this wonderful method we are able to give back to a patient the full set of teeth he or she started in with in the beginning. All we require is two or more teeth in each jaw to work from, and we shall not resort to plates or ordinary bridge-work in the process of the work. Your mouth will be free from incumbrances.

Before we accomplish this result we put the gums and the natural teeth in a healthy condition, tightening the teeth which may be loose and curing pyorrhea if the patient is afflicted with that dreadful disease.

All of the teeth we supply are practical teeth; each set in its own socket following nature's plan, so that the strain is equally divided. One is able to bite on these teeth and use them in exactly the same manner as he would his natural teeth. They match nature's teeth so closely as to deceive experts. They are beautiful to look at and a source of constant delight to the one who wears them.

APAINLESS PROCESS

An impression has gone forth that there is some surgical operation connected with this method of restoring missing teeth. Some people have written in to know if we bore down into the bone and put the teeth in on pegs!

Others have an idea we set the new teeth into the sockets where the natural teeth were originally.

It is quite natural that some unthinking people would ask such questions, and in order that they may be fully answered we will state that there is no boring, no cutting, no incision, no operation of any kind about the work that is done. It is being done on the surface. Patients leave the office with these teeth in place and at once begin chewing meat, eating candy, toast, or anything else with the same comfort they would enjoy if every tooth in their head had grown there.

If we couldn't promise this and make good on the promise, the Restoration Method would not be a success. It would be no better than ordinary bridge-work or partial plates.

WE ARE GENERAL PRACTITIONERS

All Forms of Dentistry Treated by Experts.

While the Restoration Method is our great specialty, we are general dental practitioners as well. From the simplest filling to the most intricate piece of porcelain work our experts are at the service of the public.

Naturally we would do such work well, much better than it could be done in a one-man office, for the operators employed here are all men of the very highest skill. They need to be in to do the Restoration work. Runglers would not be tolerated in our office for a day, neither would dental students. We demand the finished craftsman, both at the operating chair and in the laboratory.

KING DENTAL PARLORS,

Dr. Jackson, Manager. Franklin Square, Norwich, Conn.
apr13THS

Of course

you are going to invite your friends to Norwich for the 25th Anniversary, and while they are here you are going to try to give them a good time — WHY NOT?

The secret of all success is "to start right." There's hardly anything that will suit your guests better than "GOOD MEALS," and these may be made popular by having fresh garden supplies. So send your orders for Garden Seeds to

Barstow's

and have all these things growing before it gets too late.

BETTER DO IT NOW---than later

because

Procrastination is the thief of time!

WESTERLY AND VICINITY

Albert Fuller Found Guilty of Larceny—Sentenced Deferred—The Baseball League Situation—Murphy-O'Toole Marriage—Chas. H. Barber's Funeral—Seamy Side of Local Life.

When the Rhode Island-Connecticut baseball league was organized last season, the team representing Westerly, Hill knocked for admission and has asked for recognition at every opportunity since then, but without success. Now it really does seem as if the Pot-ter Hills were to become a part of the league. When Hope Valley withdrew last Sunday it was in favor of the substitution of the Wakefield team; the Hope Valley manager making that provision as the condition of withdrawal. So that action barred Potter Hill.

Now comes the withdrawal of the Mystics from the league, owing to the new rule aimed direct at the Mystics, which prohibits college students from playing on the league teams. If Mystics is determined and the managers of the other teams persist upon the retention of this new rule, it is probable that Potter Hill will supplant Mystics in the two-state league. The Potter Hills have received a conditional invitation to join the league and they are ready and willing.

The church of the Blessed Sacrament on Academy avenue, Providence, was filled Wednesday morning by a brilliant gathering to attend the wedding of Miss Agnes Johnson O'Toole, the youngest daughter of the late Austin O'Toole of Belmont avenue, and Joseph T. Murphy, a prominent business man of Westerly. The ceremony was decorated with ferns, palms and potted plants.

The ceremony was performed at 9:30 o'clock, the bride entering the church with her cousin, William O'Toole of Pawtucket. Miss Mary Frances O'Toole, a sister of the bride, acted as bridesmaid. The bride party consisted of the bride, her cousin, William O'Toole, and his best man, Dr. Franklin E. Sullivan of Bridgeport, Conn. The bride given away by her cousin and the ceremony being performed by Rev. Austin J. O'Toole of the cathedral, a brother of the bride, assisted by Rev. William J. Simmons, pastor of the church. Rev. Father O'Toole was celebrant of the nuptial mass which followed. The ushers were Pierce J. O'Connell, Louis G. Wilmelin of Providence, Joseph W. Gaffney of Westerly, and Dr. Joseph A. Higgins of Manchester, Conn.

The wedding party left the church while Prof. Victor E. Hammer played Mendelssohn's Wedding March on the organ. The bride wore a princess gown of white duchesse satin with a court train, with trimmings and sleeves of princess and duchesse lace. Her veil was caught up with lilacs of the valley. She wore a diamond sunburst, a gift from the groom, and carried a silver bouquet of lilacs of the valley. The bridesmaid wore a violet messaline and a flower hat to match. She carried an arm bouquet of sweet peas. The groom's gift to the best man was a diamond scarf pin set with pearls and to the ushers he presented seal ball cases.

After the ceremony a reception, confined to the relatives of the bride, was held at the home of the bride, 58 Belmont avenue, the house being prettily decorated with flowers. A breakfast was served, the bride's table being adorned with bride roses and lilacs of the valley in tall vases. The other tables were with white and violet sweet peas. During the reception the bride party was assisted in receiving by Miss Della O'Toole, a sister of the bride, who wore a white gown of silver gray messaline trimmed with the same colored lace and a collar of velvet.

CURE YOUR KIDNEYS

Do Not Endanger Life When a Norwich Citizen Shows You The Cure.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headache, languor, why allow themselves to become chronic invalids, when a certain cure is offered them? Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases, rouse yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Norwich testimony: Patrick J. Fitzgerald, living at 35 Mechanic Street, Norwich, Conn., says: "I can guarantee Doan's Kidney Pills to be a reliable kidney remedy. When they first came to my attention I was having considerable trouble from pain and lameness across the small of my back and through the kidney regions. What I read about Doan's Kidney Pills made me sure they were just the remedy I required, and a short use of them proved that I was right. Less than the contents of one box removed the lameness through my back, eradicating the pains in my legs, and restoring the action of the kidney. My advice to any person suffering from kidney trouble is to get Doan's Kidney Pills and follow the directions on the box. Remember the name—Doan's Kidney Pills—take no other."

STRENUOUS EFFORTS

are being made to capture our customers on MEN'S HABERDASHERY, but we wish to advise all of our customers that though we have been pushed to one side for the time by fire, we are still in business, and it will pay you to walk a trifle further and inspect our lines of merchandise of established reputation for excellence. You will find complete assortments of all the new ideas for the present as well as the coming season.

McPHERSON, Hatter,
101 Main Street.

books of reference will be convenient to this new addition.

Vose's lot on Quarry hill, where the home games of the Westerly team of the Rhode Island-Connecticut league are to be played this season is in readiness for the game.

Of the 141 cases brought by the Rhode Island Society for the Prevention of Cruelty to Animals in the district courts of the state, during the year ending April 1, nine were Westerly cases.

The body of Brigadier General John B. Babcock arrived in Stonington Wednesday afternoon. After services at the residence of his sister, Mrs. Stiles T. Stanton, burial was in the family plot in Stonington cemetery.

Rev. George W. Rigler officiated at the funeral of Charles H. Barber in the chapel at River Bend cemetery, on Wednesday morning. The bearer were conducted by Stonington Masons and the burial was according to the Masonic ritual.

Mrs. Annie Keegan of Westerly, a not noble commander, was conferred the grand degree and then received by the grand commandery, at the twenty-first annual session of the grand commandery of Rhode Island, United Order of the Golden Cross. The organization has a membership of 724 in the state.

A petition with 150 signatures has been received by Dr. John M. O'Connell, president of the Rhode Island-Connecticut baseball league, protesting against the new rule that prohibits the use of college players in league games. Manager Tingley of the Mystic team has accepted an invitation to attend a league meeting this (Thursday) afternoon, but his attitude is unchanged; his team will stay out of the league unless the obnoxious rule is repealed.

BRIEF STATE NEWS

Stamford.—Nearly five hundred dogs have been registered at the town clerk's office.

Derby.—The members of Milford post and W. R. C. visited Kellogg post and W. R. C. Tuesday evening.

Bethel.—At the adjourned annual meeting of St. Thomas' parish it was

Made of Pure Cream of Tartar

No Alum, No Ammonia
No Adulteration
of any sort.

unanimously voted to build a new church.

Milford.—Prof. A. R. Morrell, principal of the New Haven normal school, will give a lecture in the assembly hall of the Central school building this (Thursday) evening.

Ansonia.—News has been received here of the death of John T. Hildhouse, a former resident and business man of Ansonia, which occurred late Sunday evening at his home in Fair Haven.

Waterbury.—The annual spring reduction in the price of coal was made Tuesday by coal dealers throughout

the city. The winter price has been \$7.75 with a 25-cent reduction, making the cash price \$7.50.

Hartford.—The New Dom hotel has been sold to Terrence M. Gunsham, the Kilbourn street marketman, by John W. Cow of Meriden, trustee of the bankrupt estate of John R. Hodgdon, the transaction involving \$100,000.

Danbury.—Morse-White post, G. A. R., has been invited to attend special Memorial day services at two local churches on Sunday, May 30. In order to receive the benefit of both services, the members will attend one church in the morning and the other in the evening.
